

THE HOLE IN THE WALL GANG CAMP

Maryland

JOIN IN THE FUN!

Founded in 1988 by Paul Newman, The Hole in the Wall Gang Camp brings "a different kind of healing" to thousands of children with serious illnesses and their families each year. We're thrilled that our new location in Queenstown, Maryland, will focus on families with rare and ultra-rare conditions. In summer 2026, we're partnering with the Krishnan Family Foundation to welcome children with CMMRD and their families to one of our first programs at this new site.
